Freelancer

February 2008- Present

Freelancer

I've been freelancing from some time by now for different people like friends, friends of friends, did allot of freelancing for my high-school that included jobs like brochures, flash presentations, webdesign, DTP, magazines, flyers, printing and so on.

Lately, the last year I've been freelancing for guys from other countries with 3D models for different software packages

Campaign material

September 2009 - June 2010

DTP&Printing

For a local party I've been in charge of their publicity and campaign material.

Publicity company

December 2009 - May 2010

Designer

For a company that closed, I've had to do branding, presentations, packages, website and a magazine with commercial
